MEMORANDUM TO: Services Officer
SUBJECT : Personnel Authorization

1. After careful review and consideration of the recommendations made by the Services Officer and the Management Officer, the table of organization for the Services Office for the fiscal year 1950 and for presentation in the fiscal year 1951 budget will include not to exceed the following number of positions:

- Office of the Services Officer
- Overt Deputy Services Officer
- Transportation Division
- General Services Division
- Reproduction Division
- Supply Division
- Covert Branch

Total

25X9A2

2. The above figures are subject to the following adjustments:

- a. The strength of the Transportation Division will be reconsidered after completion of a thorough survey of the motor vehicle transportation problem by the Management Office.
- b. The strength of the Covert Branch will be reconsidered after completion of the current survey of that activity being conducted by the Covert Deputy Management Officer. It is probable that any augmentation which results from this survey will be established on a Services Covert Training Pool basis.

3. It is desired that the Services Officer present by 11 July 1949 a recommended table of organization by grade and position for the number of positions authorized above.
